The Daily Board

Edition 6 series by Greg Ito x Numbers skateboards
Written by: Rom
August 25, 2020

For its 6th edition of boards, the brand founded by Eric Koston and Guy Mariano called on Greg Ito. The Los Angeles artist has worked his boards in a palette of colors he is very fond of, based on shades of pinks, purples and blues. His flat design graphics were created for Miles Silvas, Antonio Durao, Rodrigo Teixeira and the two co-founders of Numbers.

If you are interested in one or more of these boards, go to the Numbers site.
